

Dear Parents:

The Student Council is sponsoring the school's annual partnership with Sherbourne Methodist Church again this year. We have enjoyed this relationship for many years and we hope your child(ren) will participate. We help low income children along Jefferson Davis Highway have a wonderful Christmas by sharing our gifts with them. Your participation will brighten the hearts of these children this holiday season. The program provides toys for children aged newborn to 12 years of age.

The gift should be a toy that your child(ren) would like to have under your tree on Christmas morning. Give the gift with gladness and, if possible, have your child(ren) earn the money to buy the gift. To assure that we have gifts that span all ages, please buy a toy that would be appropriate for your child's(ren's) age.

Have your child(ren) bring the gift(s) to their classroom(s) the week of December 6. The gifts will be delivered on Dec. 13. **Please do not purchase gifts that require batteries and please do not wrap the gift(s).**

Thank you for sharing the Saint Mary's School holiday spirit with others.

Sincerely,

Saint Mary's School Student Council  
Saint Mary's Human Concerns Ministry
