

Celebrate their Experiences, Activities and Friends.
Help us capture the memories.

The St. Mary's Yearbook Committee needs your Photos!

First Day of School, Constitution Day, Fall Field Trips, etc.

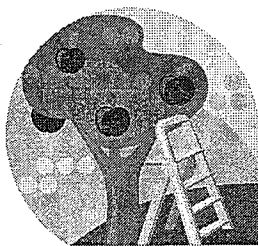

It's easy, just a few keystrokes away.

Herff Jones has added a new process that allows you to upload your pictures directly to the yearbook website, from home!

Simply go to: www.hjeshare.com and enter code **3030555**.

You will need to provide basic personal information before you can add pictures (name, email, phone). You may upload up to 10 images at a time.

The success of our yearbook depends on your contribution of pictures. Please help make our yearbook a full collection of many great memories. Feel free to upload as many pictures as you like. (Just be sure to fill in the required info. for each pictures.)

We are hoping to have this first round of photos collected by November 1st.

If you would still like to send pictures via email or disk or have any questions, please direct those to Lindsay Gould at ltgould@comcast.net.
