

October 2010

Dear Students and Parents,

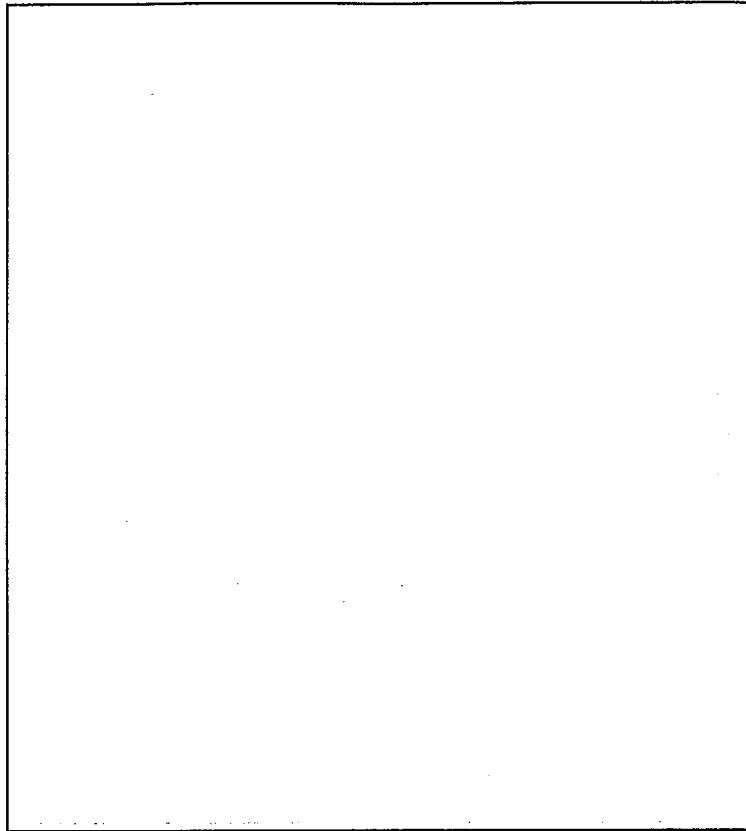

In preparation for Veterans' Day, we are asking students to honor any family member or friend, living or deceased, who has served in our armed forces. This activity can provide students with an opportunity to connect with family members in a way they never have before. Please have the student talk directly with the veteran if possible. Then help your son or daughter complete the attached form. Feel free to color the outline and letters in red, white, and blue. Forms will be displayed in the hallway for the parishioners and families of St. Mary's.

Our Veterans' Day observance will be held on Thursday, November 11 at 2:00 PM in the Upper Commons. Students in the fifth through eighth grades will hear a speaker who has served our nation in the military. Please note that parents and veterans are welcome to attend.

Please have students return forms to their homeroom teachers by Monday, November 1 to allow ample time for displaying.

Thank you for your participation.
