

3's Supply List

- 2 bottles of Aleen's tacky glue
- 2 boxes of **5oz** paper cups
- 2 containers of anti-bacterial wipes
- 2 rolls of paper towels
- 2 packs of baby wipes
- 2 bottles of hand soap
- 1 large bottle of hand sanitizer
- 1 pack of heavy weight card stock paper (any color)
- 1 can of Lysol disinfectant
- \$15 for art supplies(check made payable to Cheryl Munro)

This year we are offering the parents a choice of purchasing the above supplies or paying \$35. It is our intention to make your life much easier and buy the supplies in bulk. This proves to be more cost efficient and less time consuming. This is completely up to you. If you choose to have us buy them, please make a check payable to Cheryl Munro. This will include the \$15 for art supplies as well 😊

Specific supplies we need from you

- Pictures of the family that do not need to be returned for a special project (We will use these on the first day of school. No more than 10 are needed)
- 2 plain white t-shirts. **Please buy these at least one to two sizes up due to shrinkage when washing and growth of the children by Spring 😊**
- Ziploc bag with a change of seasonal appropriate clothing labeled with your child's name

Snacks

- Saint Mary's tries hard to promote healthy eating habits for our children and prefers snacks without a lot of added sugar. Please send in one nutritious snack each day labeled with your child's name. We will serve water so no juice boxes or sippy cups are needed.

Thank you for choosing Saint Mary's Pre-school
