

"Looking" For Volunteers

Our annual vision screening for students in grades K, 1, 2, 3, 5, 7, and new students in K-8 will take place on Thursday, October 28, 2010.

We are blessed to have Dr. Patricia Daylor, from Family Vision Care of Richmond, who generously volunteers her time each year to come and conduct our screening.

If you are looking for a way to help our students and make a difference in our school, please consider volunteering from 8:00am-12:00pm on the day of the screening. We need a minimum of 14 volunteers in order to conduct the screening, so we are counting on you!! No prior experience is necessary, so please call Karen Barry at 741-8790 if you can help.

Thank you in advance for all you do!!

Karen Barry, clinic aide
