---

Parents,  
A reminder for the uniforms...

Uniforms must be washed in cold water only.

Very Important: NO fabric softener as the numbers and letters will peel away

Very Important: Air dry uniform - please do NOT put in dryer - as uniform will crinkle

Very Important: DO NOT iron - numbers and letters will come off

For 6th grade boys - uniform shorts are similar to PE short but do not confuse them. Wear the shorts that only have "St. Marys" printed on the left leg and not the emblem.

At the end of the season, the jersey and shorts should be return to the coach. Please let them know about any damage to the uniform.

NOTE: For those waiting for uniform shorts or jerseys - the order is expected early next week.

Let us know if there are any questions.

David and Anne Leigh
