

Carpool Map and Rules – morning and afternoon

#1 Rule, at all times, for all drivers:

BE PATIENT AND WAIT IN LINE!

Grades 2, 3, 4 – Enter lot from Gayton Rd. near Pinchbeck. Turn left and drive along the front of the school building, letting children out when you arrive at the sidewalk by the main entrance. Exit the lot onto Gayton Rd. by the Parish Hall.

Preschool, K, 1 and grades 5-8 – Enter lot from Marywood Ln. Turn right and drive along the outer lane of the lot all the way up toward the playground, following the line around the back of the school. Older children can exit cars along the curb and enter the middle school doors. Children in the ECDC (preschool, K, 1) should exit cars along the curb at the ECDC entrance. Exit the lot onto Marywood.

Choose your carpool line based on the youngest child in your car. In other words, if you have a child in the ECDC, use the Marywood entrance/exit and let the older children out at the middle school doors. If the youngest child is in grades 2-4, use Gayton Rd. and let everyone out at the front doors.

If you are parking and walking your child to the door, please enter via Gayton Rd, park in the lower Park & Walk lot, and exit the lot carefully via Marywood Ln. This is especially important in the afternoon when entering the lot. **DO NOT** attempt to enter off Marywood and turn left into the lot, **ESPECIALLY** in the afternoon.

DO NOT enter off Gayton Rd. and drive through the Park & Walk lot to get into the back line. **DO NOT** cut around ANY car at ANY TIME!

LEAVE EARLY, TAKE YOUR TIME, AND BE PATIENT!
